

European Beech White (Sap) Edge Grain

SKU: 1-12BEEDGE

Standard Sizes & Specs:

- 100 grit standard finish
- 1-1/2" standard thickness
- Clear on face and edges
- Edge Grain 1-1/32" staves
- Edge Grain max size 48" x 120"

Order instructions: We stock pre-ripped blanks ready to glue for quick turnaround times. All made at our facilities located in the Northwest. We make our tops slightly oversized 1-2" in length and 1/2" to 1" over in width. Give us your net sizes when ordering. Trimmed to size is available for an extra charge. Minimum charges apply.

Custom: Other makeups using different stave sizes as well as custom species such as Alder, Ash, Birch, Cherry, Hickory, Fir, Jatoba, Mahogany, Red Oak, Sapele, Western Maple, White Oak, etc., are available by special order. Edge Grain panels longer than 120" may be available.

These HI products promote using materials from sustainable forests.

Warranty: We warranty all of our butcher blocks & counter tops. For more details visit: www.hardwoodind.com/custom-glued/
