www.realamericanhardwood.com

Order instructions: We stock pre-ripped blanks ready to glue for quick turnaround times. All made at our facilities located in the Northwest. We make our tops slightly oversized 1-2" in length and 1/2" to 1" over in width. Give us your net sizes when ordering. Trimmed to size is available for an extra charge. Minimum charges apply.

Custom: Other makeups using different stave sizes as well as custom species such as Ash, Birch, Cherry, Hickory, Fir, Jatoba, Mahogany, Red Oak, Sapele, Western Maple, etc., are available by special order. Edge Grain panels longer than 120" may be available.

Warranty: We warranty all of our butcher blocks & counter tops. For more details visit: www.hardwoodind.com/custom-glued/
