## Designer Textured Panels

Edgewood, KML's latest designer finish, delivers the look and feel of natural wood grain, but with superior durability and consistency. With Edgewood, designers can now specify exotic materials for large projects with greater color consistency, fade resistance, and an authentic tactile experience without using exotic natural resources.

**ALL COLORS STOCKED IN:** Panels: 1/4" and 3/4" 5' x 8' Edge Tape: 15/16" x .018" x 600', 15/16" x 1mm x 300'

•1/4" panels are a textured face with a non-textured white back. •3/4" panels are textured on both sides, same face and back.
